

Adriana Auderset

“Adriana Auderset was born in 1951 in Bern, Switzerland. She has travelled to over 70 countries, including, India, China and Vietnam. In 2001, she went to Russia where she studied the ancient techniques of Iconography and oil painting with Russian Masters. The film “Portrait” will take you on a journey to Tbilissi, Georgia, St.Petersburg, Russia and Geneva.

Adriana uses colours and motives that are healing to the soul. Her holistic approach, is inspiring people to open up to their creative energy. She would like to inspire people to follow her on the path of Truth and Self Realisation.
